***Financial Assistance Award Conditions
Between the Denali Commission and the
Alaska Housing Finance Corporation (AHFC) - FY2009
For Elder Supportive Housing
Award No. 01154
June 2009***

1. Scope of Work

The Commission is providing a total of \$1,357,221 to the Alaska Housing Finance Corporation (AHFC) for construction projects. These projects were approved for funding through the FY09 Work Plan at the June 4, 2009 Commission meeting. Projects are not authorized to proceed until the Project Authorization is approved by the Commission.

The AHFC will be responsible for notifying the Commission when projects have completed all due diligence activities and are ready to be funded for construction. The Commission is providing funding for construction projects in the amount of \$1,357,221 on this award. Total construction funding from all sources this fiscal year to AHFC is \$2,132,044. Other construction funds for these projects are being made available to AHFC on grant awards 197-05 and award 01153.

All Commission funding is intended for use for the scope of work identified in the Award document only. Any balance of funds remaining after the full scope of work has been completed will be returned to the Denali Commission.

2. Milestones

Milestones are identified as the major steps to be completed as part of the project. "Planned" dates for the first milestone will be included on the project authorization. As part of each progress report, recipients shall update the progress toward meeting these milestones (see section 7, Reporting).

3. Award Performance Period

The Award performance period is June 1, 2009 through October 31, 2011. This is the period during which Award recipients can incur obligations or costs against this Award.

4. Direct and Indirect Costs

The cost principles of OMB Circular A-87 are applicable to this Award. Please refer to the cost principles regulations for specific details on other allowable charges under this Award.

5. Program Revisions

The Administrative Circular, OMB A-102 applies to this Award. Please refer to the Administrative Circular for specific details on revisions to this Award. The Administrative Circular requires that AHFC will inform the Commission in writing (e-mail, letter, or report) at the earliest possible date of any unanticipated project cost

overrun, project schedule delays, or changes in the project scope or changed site conditions.

6. Payments

Payments under this Award will be made by electronic transfer in response to a "Request for Advance or Reimbursement", Standard Form 270 (SF-270) submitted by AHFC. Requests for reimbursements may be made as needed. The SF-270 must be submitted to the Denali Commission via fax, e-mail (finance@denali.gov) or mail in order for payment to be processed. The form is available on the OMB website: http://www.whitehouse.gov/OMB/grants/grants_forms.html. Payments shall be made in accordance with OMB Circular A-102. If there are technical limitations which may prevent the recipient from meeting this requirement, please contact the Program Manager listed in this agreement.

- a. **Progress Reports** shall be submitted on a quarterly basis. The first reporting period is June 1, 2009 to September 30, 2009, and quarterly thereafter. Reports are due within 30 days of the end of the reporting period. Progress reports shall include the following:
 - i. Total project funding, including both Denali Commission funding and other project funding sources.

 - v. **Construction Projects** Photographic documentation of project progress shall be provided with the progress reports for active construction projects. The photo documentation shall include a minimum of three, dated photos per reporting period such that a complete record of the construction is maintained over time, from "before," showing the situation before the start of construction, to "during" showing work proceeding on the project, and "after" to show the finished project. Photos shall be provided in a digital format as

part of the on-line report. A short description of the activity and names of those in the photos shall also be provided.

- vi. **Non-Construction Projects** For minor repair and renovation projects or other non-construction projects, pictures should be provided of before and after, or photos that are representative of the funded activity, to the extent possible. Photos shall be provided in a digital format as part of the on-line report. A short description of the activity and names of those in the photos shall also be provided.
- b. **Lessons Learned:** In addition to reporting quarterly, the AHFC shall meet twice annually with the Commission to report lessons learned and project status. These meetings may include community participation and be held via teleconference.
